NEEMRANA – Growth Story Begins

A MINI JAPAN IN INDIA

The 120-km-Long drive on NH8 between Delhi and Jaipur takes motorists through the hilly landscape of Neemrana, a historic fort town in Rajasthan. Passing through, they could be forgiven for thinking they're in the land of the Rising Sun instead of the Aravali, range. Japanese names dot both sides of the highway, be it on a factory, a hotel or a restaurant. It's a "Mini-Japan" as the area has come to be known.

In an, the area hosts 48 Japanese companies (39 operational, three under construction, and five yet to break ground. Spacious, clean, well-planned and well-laid, these factories are slowly becoming the new face of Neemrana, known more for its fort-turned-luxury hotel. Over the last five years, Investments worth more than Rs 4000 crore have poured into this 1166-acre Japanese Zone. Some of big names are Daikin, Hitachi, Nidec, Nippon, Nissin, Toyota Kirloskar, Unicharm, Mitsui etc. This is the first exclusive Foreign Investment Zone in India.

Recent visit of Hon'ble Prime Minister of India and Chief Minister of Rajasthan has given big boost to Japanese companies to invest in Neemrana.

A new facility of ready to use Plug & Play built up space for SME sector is under pipeline through expert Japanese company in this zone RIICO has planned to develop second Japanese Investment Zone in Giloth near Neemrana.

The spurt in Japanese interest here is quite visible. Hotels/ Restaurants like HIP Komachi, Aju Days Ramada, Cambey etc. always remains full of Japanese community.

More than 200 Japanese people lives in Neemrana at different Hotels, Service Apartments & Villas.
